### Financial Assistance Overview & Application

Mohan Skiing & Boarding, a Non-Profit Corporation, offers a limited number of scholarships to help defray the costs of lift tickets, equipment, lessons & busing. The goal of the Scholarship Program is to offer outdoor recreation opportunities to those who might not have the chance to participate in such a costly activity. We hope to instill a lifelong love of winter sports and the outdoors to all students.

Mohan Skiing & Boarding scholarships are need-based scholarships based on total household income, using the same income guidelines as the National School Lunch Program.

#### **Frequently Asked Questions**

##### **When will I know if I was awarded a Scholarship?**

Decisions cannot be made until after the deadline of December 15<sup>th</sup>. After we compile all scholarships, determinations are made. You will be notified by December 20<sup>th</sup>.

##### **What if the Program I am applying for is already full?**

We save seats for scholarships but only a few based on the size of the program. The sooner you get your application in the better so we can see what programs may need more seats.

##### **What if there I want to apply for a school I don't go to?**

This is considered a special case. This will require the approval of the Program Coordinator for the program you are applying for. Many of our Coordinators are teachers that do this because they already know the kids. Some prefer to stick to just the students at the specified school and others do not mind. Just know that you will be responsible for getting to the specified school on time for the bus. The bus will NOT wait.

##### **What if there I want to apply for a school I don't go to?**

The best option is to go to a rental shop near you and get fitted. Another option (not as accurate) is to go online and look it up based on regular sizes such as shoe and height.
